Spa Packages

The Spa exudes an atmosphere of complete calm and relaxation. With beautifully tiled floors, well appointed changing rooms and the latest facilities, the Spa at Ilsington offers an exclusive corner of peace and tranquillity with a hint of Tibetan influence.

Relax in the hydrotherapy pool and let the soothing bubbles envelop you and then take a seat in the sauna or steam room and surround yourself by the comforting aromas and sounds accompanied with mood lighting. Maybe time for a dip in the indoor pool and swim a few lengths before showering off and relaxing with a magazine pool side.

Our Spa includes:

- Heated indoor pool (11m x 5m)
- Hydrotherapy pool (4.5m x 3m)
- Steam Room
- Sauna
- Beautifully finished changing rooms
- Well equipped fitness suite with Lifestyle equipment
- Pool side shower including 'kubel dusche' – an elevated bucket of cool water which tips on you when you pull the lever

The following packages are subject to availability and should be booked in advance as we do restrict numbers entering the Spa. The maximum group size is 6. Treatments can be booked to supplement any of the packages chosen and a list of these can be found on our website or at Reception.

On booking a credit card is taken to guarantee your reservation. The Spa operates a 48 hour cancellation policy and a full charge may be made if cancellations or amendments to bookings are made after this time. Please ensure you arrive at the time specified in your booking.

Upon arrival, please come to the main hotel Reception where you will be greeted by a member of staff who will familiarise you with the Spa procedures and facilities. If you are having a treatment, please arrive at the waiting room at least 10 minutes prior to your treatment in order to complete our health questionnaire and ensure you receive your full treatment time.
